Full Paper for IEEE Xplore & AJSE Journal

Conference Overview

BioBIS 2027, organized by the Department of Bioengineering and the Interdisciplinary Research Center for Bio Systems & Machines (IRC-BSM) at KFUPM, invites researchers, clinicians, engineers, innovators, entrepreneurs, policymakers, and students worldwide to submit their original extended research abstracts. BioBIS 2027 is designed to foster global, interdisciplinary collaboration, showcase cutting-edge biomedical breakthroughs, and accelerate the translation of scientific discoveries into impactful, real-world healthcare solutions.

Technical Tracks

1. Biomaterials & Tissue Engineering
2. AI in Healthcare & Biomedical Intelligent Systems
3. Biofabrication & 3D Bioprinting
4. Biosensors, Organ on Chips & Biosystems
5. Nanomedicine and Drug Delivery
6. Bioinformatics & Computational Biology
7. Clinical and Disease Specific Sessions
8. Biotechnology and Special Topics

Publications Track

Peer-Review:

- All submissions will be peer-reviewed by experts.

Conference Proceedings:

- Selected extended abstracts will be published in an online Conference Proceedings

IEEE Xplore

- Selected, Top-tier full papers will be published and indexed in IEEE Xplore

Post Conference Journal Special Issue

- Selected top-tier full papers will be published in a special issue of Arabian Journal of Science and Engineering (AJSE), IF: 3.2
